Our Mission Statement

Shurdington Pre School aims to offer each child an enriched learning experience through play. We will do this by providing them with a nurturing, holistic and fun environment. Each child and their family will be supported as we encourage all of our children, irrespective of need, to reach their full potential.

2011/2012

In Partnership with Parents.

At Shurdington Pre-School we believe that the most effective, nurturing environment happens when parents, Committee and the Pre-School team work together to create a Community Pre-School in which all children and adults are valued.

This agreement details the key elements of this partnership.

Pre-School will:

- ❖ Provide a stimulating and safe learning environment in which children can play, develop and belong.
- ❖ Provide varied opportunities and activities in which young children can make sense of their world.
- ❖ Recognise that children are unique and develop their skills in different ways.
- ❖ Observe and record each child's progress in a Journey Book. We will collate this with each child and their parents and use the child's interests to plan appropriately for further learning and development.
- ❖ Care for your child's safety and well being.
- ❖ Use the frameworks of Early Years Foundation Stage and Every Child Matters to underpin all that we do.
- ❖ Follow our Policies and Procedures in every element of our provision.
- ❖ Be available to talk to you should you have any queries regarding any part of our practice, the wellbeing of the children, or if you require additional advice or support in your role as a parent.

Parents/Carers will:

- ❖ Assist with the smooth running of Pre-School by attending their allocated Parent Rota duties.
- ❖ Use the time on Parent Rota to share with their child their Pre-School experience and to assist with the compilation of their child's Journey Book.
- ❖ To recognise that the developmental records at the back of the journey books are confidential to each child and that when invited to share another child's book, they must not read that book independently of it's owner.
- ❖ Ensure children arrive at a session ready to play in appropriate clothing, with a bag of spare items and that Pre-School are informed of any instances that may affect their child's general wellbeing that day.
- ❖ Familiarise themselves with the content of our Policies and Procedures and follow them as necessary; In particular: Fire Drill Procedure, Behaviour Management, Confidentiality and Complaints/Compliments Procedure.
- ❖ Support Pre-School by attending fundraising events or by joining the management committee.
- ❖ Notify Pre-School in writing of any changes to their child's registration and contact details as soon as possible.

Children will:

- ❖ Strive to be creative, independent learners as they move through their pre-school journey.
- ❖ Follow our Golden Rules for playing and learning together safely and happily.
