

# Pre-School Kit List

In order to take full advantage of the wide range of messy, sensory and outdoor experiences on offer, we ask that your child comes to Pre-School fully prepared for the day ahead. They will need:

- + Play Clothes: if your child doesn't come home dirty, they haven't had enough fun!
- + A bag of spare clothes: socks, top, jumper, trousers and pants (extra if toilet training)
- + Wipes, nappies, cream and nappy bags (if necessary)
- + A coat suitable for the current weather.
- + Suncream applied and with a Sun Hat on a hot, sunny day.
- + Gloves, hat and scarf on a cold day.
- + Shoes that cover their toes and that they can (at least try) to put on & take off themselves. (We change into wellies a lot and developing this independence is fab for their self esteem!)
- + A lunch box if they are staying past 12.15pm. Please keep to healthy options such as a roll/sandwich or similar, raw vegetables, fruit and a yoghurt. **One** small treat is sufficient for the under fives such as a biscuit OR a cake OR a packet of crisps. Water is provided throughout the day however they may like a fruit juice or carton within their lunch box. Products containing nuts, including Nutella chocolate spread are prohibited due to children with allergies as are egg sandwiches or hard boiled eggs for the same reason.

*Please name ALL your child's belongings: it does make it easier to return clothing and items to their rightful owners!*

***Thank you: The Pre-School Team.***
